Community Conference Center

## FOOD & BEVERAGES

Food and beverages are allowed in all conference rooms, however, alcohol is not permitted in the building except with prior approval for fundraisers or if specially arranged through the Community Conference Coordinator (be sure to note on your Event Request form if you wish to request special consideration for alcohol to be served).

Two snack and soda vending machines are located in the kitchen and items may be purchased from 50 cents to \$2.00.

There are two small microwaves, a toaster oven, two dishwashers, and a coffee maker with six carafes available for your use along with two catering refrigerators and freezers.

Catering is the responsibility of each event user. A list of nearby restaurants and hotels is available for your meeting guests.
